

As of October 31, 2025

First Eagle Global Equity ETF and First Eagle Overseas Equity ETF are required by federal tax law to distribute prior to December 31 virtually all net capital gains that were realized prior to October 31 and all ordinary income earned for the calendar year. Funds which do not meet this distribution requirement would be subject to an excise tax. To assist our financial advisors, we have prepared the following estimates of ordinary income and capital gain distributions for First Eagle Global Equity ETF and First Eagle Overseas Equity ETF.

These estimates may change due to a change in the level of shares outstanding, tax adjustments and actual income versus estimated amounts.

				Ordinary Income Distribution		Capital Gains Distribution Per Share			Capital Gains Distribution as a % of NAV		
Fund	Record Date	Ex Date	Payable Date	Per Share	% of NAV	Short Term	Long Term	Total	Short Term	Long Term	Total
